WEST GEORGIA TECHNICAL COLLEGE

July 23, 2020

Mr. Trae Westmoreland
Coweta County Development Authority
100 International Park
Newnan, GA 30265

Dear Mr. Westmoreland:

On behalf of our College and Foundation, I want to personally thank you for your leadership and investment in West Georgia Technical College. We are appreciative for the long-standing relationship with the Coweta County Development Authority. In fiscal year 2020, your investment allowed us to purchase new equipment for our Precision Manufacturing, Machine Tool, and Culinary Arts programs both on campus and at the Central Educational Center.

These tool and equipment purchases helped us to provide world-class educational experiences for our students as they were able to interact with newer, better technology. Your generosity further underscores our community's commitment to workforce development, and for that commitment, we are most grateful. We are proud to call you a stakeholder in our mission to provide world-class technical education right here in Coweta County.

This year, we would again like to invite Coweta County Development Authority to partner with us on an equipment and tool purchase upgrade. Following this letter you will find the equipment we have identified as critical needs to continue to serve our world-class Dental Assisting, Machine Tool Technology, and Registered Nursing and Licensed Practical Nursing programs. We humbly request a $50,000 investment in support of this project.

I consider it a privilege to be able to work so closely with you all in providing workforce development and corporate training to our community. We are so grateful for the leadership of the Development Authority Board in prioritizing technical education and economic development. Please do not hesitate to reach out if you have any questions for me.

Best regards,

Dr. Scott Rule, President
West Georgia Technical College

Cc: Mr. Michael Fouts, County Administrator, Coweta County Board of Commissioners
Mr. Mark Whitlock, CEO, Central Educational Center
Dr. Kristen Douglas, Vice President, West Georgia Technical College
Ms. Kelsey Jones, Executive Director, WGTC Foundation
